

Nile Style - Shipping and Delivery Policy

Version 1, effective 1 September 2026.

1. Delivery areas

Nile Style delivers to all 27 governorates of Egypt. We do not ship outside Egypt. Orders are shipped from our warehouse in Nasr City, Cairo.

2. Delivery times

Estimated delivery time is 2-3 business days for Cairo and Giza, 3-5 business days for Alexandria, the Delta and Canal cities, and 5-7 business days for Upper Egypt, the Red Sea and Sinai. Business days are Saturday to Thursday, excluding official holidays.

3. Shipping fees

Shipping costs EGP 50 for Cairo and Giza and EGP 70 for all other governorates. Shipping is free for orders of EGP 1,500 or more after discounts.

4. Cash on delivery

Cash on delivery is available for orders up to EGP 5,000. Orders above EGP 5,000 must be paid in advance by card, mobile wallet or InstaPay.

5. Changing the delivery address

The delivery address can be changed only while the order status is pending or processing. Once the order has been shipped the address cannot be changed; the customer may refuse the delivery and place a new order.

6. Late deliveries

If an order arrives more than 3 business days after the latest estimated delivery date, the customer receives a EGP 100 voucher for the next order. Requests for compensation above this amount are reviewed by the customer care team and are not approved by the chat assistant.

7. Failed delivery attempts

The courier attempts delivery twice and calls the customer before each attempt. After two failed attempts the order is returned to the warehouse and prepaid amounts are refunded minus the shipping fee.

8. Order cancellation

An order can be cancelled free of charge before it is shipped. After shipping, cancellation is handled by the customer care team, and the customer may refuse the parcel at the door.

9. Order tracking

A tracking link is sent by SMS and WhatsApp when the order is shipped. Customers can also track orders from the My Orders page using the order number, which starts with NS-.
